Last week, we realized that several folks were in both meetings, so we moved ours to the same place to simplify the transportation & parking situations.

There will be a meeting of the Physician Office Action Council (POAC) hosted by KEPRO at 11:30 in the same room; you are welcome to stay for that meeting in the room or on the phone.

We think this organization would be great to get to know.

We look forward to seeing (or hearing) you all there,

Philip Powers

Director of Health Informatics
